

Molecular Science and Engineering

Jana K. Shen and Alberto Striolo

Joint Group Meeting

Tuesdays, 5-6 pm, SEC T-335

September 8th, 2009

Dimitrios Argyris

Interfacial Aqueous Systems

Refreshments: Deepthi Konatham

September 15th, 2009

Jason Wallace

PH-Dependent Amyloid Assembly

Refreshments: Steve Wang

September 22nd, 2009

Liu Shi

Surfactants at Water-Air Interface

Refreshments: Rajesh Tummala

September 29th, 2009

Steve Wang

Surfactants Titration in Micelles

Refreshments: Ross Evans

October 13th, 2009

Brian Morrow

DFT for Catalysis

Refreshments: Dimitrios Argyris

October 20th, 2009

Ross Evans

**Explicit-Solvent Simulation of
Peptide Fragments**

Refreshments: Alim Ramji

October 27th and November 3rd

AICHe Preparation

November 17th, 2009

Alim Ramji

TBA

Refreshments: Jason Wallace

November 24th, 2009

Deepthi Konatham

Graphene-Sheets Composites

Refreshments: Brian Morrow

December 8th, 2009

Rajesh Tummala

Surfactants and Carbon Nanotubes

Refreshments: Liu Shi
